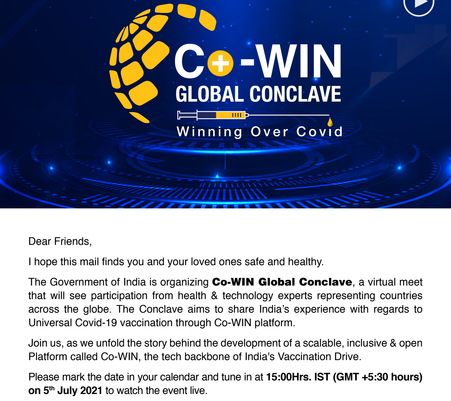
Ministry of Health and Family Welfare Government of India | Ministry of External Affairs Government of India | national health authority



Dear Friends,

I hope this mail finds you and your loved ones safe and healthy.

The Government of India is organizing **Co-WIN Global Conclave**, a virtual meet that will see participation from health & technology experts representing countries across the globe. The Conclave aims to share India's experience with regards to Universal Covid-19 vaccination through Co-WIN platform.

Join us, as we unfold the story behind the development of a scalable, inclusive & open Platform called Co-WIN, the tech backbone of India's Vaccination Drive.

Please mark the date in your calendar and tune in at **15:00Hrs. IST (GMT +5:30 hours) on 5th July 2021** to watch the event live.
